## Eagle Library 16Pt8515

Posted by Asilvio - 2006/06/08 11:54

---

Hi Ian,

I was not able to find the definition of 16Pt8515 in the Eagle's libraries.

What library was used by you in "Ethernet Development Board v1.1" layout ?

If it is not coming from "Cadsoft site", it is possible to have it as a download?

Thanks.
